96 Acres | Flatrock Church Road | Greene County, GA | 30678

- Paved Rd Frontage
- Hardwoods
- Creeks and streams

The Double creek tract is being offered as a whole or possibly split into 3 tracts. All have great paved road frontage in a beautiful, rural farming area of the county. This property offers older, thinned planted pines and incredible hardwood draws with creeks and streams. A great road system allows access to the entire property. You will see the possibilities for a great estate property or invest in the future with the timber value and recreational opportunities offered by this location. Come see the incredible beauty of the Greensboro area. Call Mark Costello to View. 706-207-5850
